CITY HALL—
Waldo Otis, Gus Thomas, Leroy Necaise, Roland Cuevas, P&RO.

SOUTH BAY—
Veron Ladner, Peter Chiniche, Thomas P. Clapp, Eddie Marquez, P&RO.

E. E. Breland Candidate For Supt. Education

E. E. Breland has announced his candidacy for County Superintendent of Education in the forthcoming August Primary Election.

His statement to the voters follows:

To the Voters of Hancock County:

May I take this means of announcing my candidacy for re-election to the office of County Superintendent of Education.

I wish to extend my appreciation for the opportunity of serving you the past two terms, and the confidence you placed in me four years ago when I was opposed for re-election. If re-elected to this important position I shall continue to serve you to the best of my ability, and shall strive at all times to work in the interest of the girls and boys of our county.

I seek re-election on my record which I've made as your County Superintendent of Education. Asking that you consider my ability to serve you in the future from the improvement I have made in your school program and the knowledge I have of the new school laws which will govern our future school program.

The decision of the US Supreme Court on segregation has imposed additional burdens on our county and state, but I shall always strive for separate schools with equal facilities for all races. A glance at the schools in our county will bear me out in this statement.

The work in the Office of County Superintendent of Education has more than doubled with the new school program. In view of this fact, you are asked to bear with me in the event I am unable to personally see each of you before August 2nd.

I sincerely trust that the voters of this county will join hands in giving me the largest vote anyone in this county has ever received for public office, and for so doing I promise that we will have one of the best school programs that can be had. This will take the cooperation of all.

Reassuring you of my deepest appreciation for your past kindness and favors, and earnestly soliciting your continued good will and support, I am,

Respectfully,
E. E. Breland
Candidate for Re-election
Superintendent of Education
Hancock County

BROTHER LAWRENCE BURIED HERE TUES

The Rev. Brother Lawrence, St. (Charles E. Finnegan), a former teacher of St. Stanislaus and of St. Aloysius, New Orleans, died at Hotel Dieu Monday morning after a lingering illness.

Brother Lawrence was born in New York City Jan. 1, 1885. He joined the Brothers of the Sacred Heart at Metuchen, N.J. in June 1902. He taught at Indianapolis, Donaldville, Baton Rouge, Mobile, Meridian, New Orleans and St. Stanislaus for over 24 years, 17 of these consecutively.

For several years he was the infirmarian at St. Stanislaus.

Four years ago he began to lose his eyesight. He came back to St. Stanislaus to try to recover his strength and vitality. The last year he was practically blind and suffering from a general breakdown. Upon suffering a stroke on July 8 he was rushed to Hotel Dieu where he lived for about ten days.

Brother Lawrence was buried from the College chapel Tuesday morning in the cemetery of the Brothers of the Sacred Heart located near the campus.

The Rev. John Leonard, assistant pastor of Our Lady of the Gulf Church, was celebrant of the High Mass of Requiem. The Rt. Rev. Monsignor McCarthy, pastor of the church, in his sermon praised the work of Brother Lawrence, especially the years spent at the St. Stanislaus Day School.

Water Meters, Bond Issue Needed To Prevent Insurance Hike Says City

Legion and Aux Cop Top State Honors

The American Legion, Legion Auxiliary, 40 et 8 and 8 et 40 met last week at a State Convention in Jackson, Miss.

Partners and members attending the entire convention from this area were Mr. and Mrs. Joseph Comptella, Mr. and Mrs. Leroy Luke, Mr. and Mrs. Lucien Kidd, Mr. and Mrs. Nelius Rhodes, Mr. and Mrs. Russell Elliott, John Rutherford Jr., Lucas Pucheu and Sidney Bourgeois.

Women present for the Monday session from Bay St. Louis were Mrs. Claiborne Ladner, Mrs. L. S. Elliott, Mrs. Rene Bermond and Mrs. Albert Biehl Sr.

Clement R. Bontemps American Legion Auxiliary Unit 139 received the highest rating points, 149, in the State of Mississippi. Mrs. Russell Elliott, president of the

Auxiliary for 1954-55, received the awards for her unit. They read as follows:

State Trophy Cup for Community Service for State and Narrative being sent to National to compete with other States.

First place in Americanism in State. The chairman said theirs was "the best Americanism report ever received in the Department."

The Unit also received honors for being accorded second place in the State for child welfare work.

Year Round Pan-American study won first place in state, will compete at National.

Pan American Doll, by Junior Members, won first place in State. Mrs. Russell Elliott and Mrs. Gordon Romanoff received gifts for having sent in most names of new members in the State.

Membership pins were given Mrs. Joseph Noto, Mrs. Dan Ziegler, Mrs. Romanoff and Mrs. Elliott for sending in five or more new names each for membership.

The photograph of the Poppy Window, displayed in Piazza's Barber Shop, was awarded first place in the contest and has been sent to National competition.

The year book of the Unit received second place. The unit ranked second in the state for having sponsored three Radio Programs.

VAWS Certificate was awarded to Unit 139 from Major E. A. Hiller, VA Center, Biloxi, in recognition of volunteer service in behalf of the veteran patients through the VA Voluntary Service Program.

Legion Wins
Clement R. Bontemps Post 139 won top honors at the State American Legion Convention in Jackson last week.

Four out of five awards were accorded them. They gained first place in Americanism, first place in Post Publicity, second place in Community Welfare and third place in Child Welfare and honorable mention in all other entries.

They were accorded the credit of being the leading Post in the State regardless of size.

Delegates included Post Commander Sidney Bourgeois, Lucien Kidd, Teddy Morel, Leroy Luke, Joseph Comptella, Nelius Rhodes, Russell Elliott, Lucas Pucheu and John Rutherford.

In the campaign for District Commander, the Post supported C. D. (Doug) Gully of Pascagoula, who was elected. He was one of three coast men to be elected to this honor in the last 37 years.

Commander Gully will be in Bay St. Louis on August 3 to install newly elected officers of this Post. All Legion men are urged to be present at that time.

The Post also won a \$50 bonus for an all time high in membership. The 17th District, of which this Post is a part, won top honors in the State and led the parade and formed the color guard for the parade.

Invitations have been issued for Biloxi to have the Convention next year.

Lucien Kidd was elected to the Executive Committee for the 9th District.

Regarding the proposed issuing of revenue bonds for city improvements, the commission council yesterday issued the following statement:

"Our present overall waterworks system has been for many years inadequate and antiquated; and with the increase in home building and increased use of modern appliances which has taken place during recent years, we are now faced with a most serious and dangerous situation. The time has come when something must be done to remedy the serious deficiencies which now exist in our present system.

"Contrary to what many uninformed people believe, our problem is not a matter of water supply but rather one of distribution and control of unnecessary and wasteful usage. The 1955 population including schools and summer residents is estimated at 5250. Our present source of supply can be conservatively estimated to produce more than 1,500,000 gallons per day. With no large commercial or industrial users, Bay St. Louis with a population of 5250 should not use more than 125 gallons per capita per day of 656,200 gallons per day. In other words, we are at present furnishing enough water to supply a city of about 12,000.

"The only way in which the unnecessary and wasteful usage of water may be controlled is by the installation of water meters. This will certainly insure a more conservative and reasonable usage of water which will naturally result in a more adequate supply of water for both domestic and fire protection purposes at all times.

"There are approximately 95,000 feet of underground mains varying in size from 3 inches down to 1 inch. The areas serviced by such mains suffer because of an extremely low pressure and often they have no water at all. In many instances these small mains are dead-ended which makes it impossible to maintain sufficient volume and pressure in them. When these mains are replaced and looped, adequate volume and pressure will be maintained at all times.

"In addition to the above discussed problems of conservation and distribution, we are also faced with another and perhaps more serious one—and that is fire protection. Even though our fire fighting equipment is considered adequate and sufficient, the greater portion of the City must be considered as having practically no fire protection. The reason is obvious.

"When a 750 gallon per minute pump, such as we now have, is connected to a 3 inch or smaller main, the fire flow or volume of water is just not there. As a result our fire fighting equipment can put out only a token fight against the destructive force of a house fire.

"In addition to this danger, we are faced with another, which if not as serious is certainly more concrete; and that is the certainty of a very substantial increase in our fire insurance rates. The Mississippi State Rating Bureau determines the classifications and applicable rates for fire insurance premiums. This agency establishes basic requirements with reference to the distribution, supply for fire hydrant volume and pressure in all commercial and residential districts of the State.

in order that every property owner and business man in St. Louis may be fully and completely aware and cognizant of the precarious position of our present insurance rate structure, wish to quote excerpts from letters recently received from the Mississippi State Rating Bureau, Jackson. The following is taken from a letter addressed to A. Scalfide, Mayor, and dated April 2, 1954:

"In view of conditions now existing, Bay St. Louis is not entitled to its present rated insurance classification. Since this matter has been suspended for such an appreciable time, we must re-rate the town on a higher classification unless early corrective measures are taken."

In another letter dated October 28, 1954, and addressed to William E. Johnson, Consulting Engineer, Jackson, we quote the following: "The Water Works System you have proposed for the City of Bay St. Louis is exceptionally good one and we have no suggestions for any changes. On the other hand, it presents just about the minimum needed for reasonably good fire protection. Signed: R. H. Tucker, Chief Engineer, Mississippi State Fire Rating Bureau."

"The latest and most recent communication received from the Mississippi State Rating Bureau under date of July 5th, 1955, quoted in its entirety as follows:

"Hon. John A. Scalfide, Mayor Bay St. Louis, Mississippi Dear Mayor Scalfide:

Public Fire Protection Bay St. Louis, Miss. We wish to refer to previous correspondence with reference to the above subject and would appreciate a word from you advising us whether or not any further action has been taken to comply with proposed improvements in your water works system."

As you know, we have withheld action on making any changes in rates on this city for an appreciable length of time, and therefore do not see how we can continue to permit such condition to exist for an indefinite period.

Awaiting your early advice, we remain

Yours very truly
F. Julian Carroll, Manager
Miss State Rating Bureau
Jackson, Mississippi

"We may summarize the situation in which we presently find ourselves with the following facts:

- (1) Our present Water Works System is inadequate and antiquated.
- (2) Metered service will insure conservation of our water supply and eliminate unnecessary and wasteful usage.
- (3) Approximately 95,000 feet of undersized mains affords us little, if any, fire protection in these areas.
- (4) Unless our system is modernized and improved to meet the State Rating Bureau requirements, our present Fire Insurance Rates will definitely be increased approximately 65 per cent.
- (5) We have employed one of the best Consulting Engineers at the State of Mississippi to design a water works system which will meet the requirements of the State Rating Bureau. According to our Consulting Engineer, the only way we can possibly finance the improving and modernization of our present system is by the issuance of Revenue Bonds.

38 CHILDREN ATTEND LIBRARY STORY HOUR

Thirty-eight boys and girls between 5 and 9 years of age enjoyed the story hour last Friday morning at Memorial Library.

Cowboys and Indians were the themes of the stories, and the Martin sisters, Jeanne and Betty, were dressed in such costumes as they told their stories.

Adults representing the American Legion Auxiliary present and helping for the occasion were Mrs. Rene Bermond, Mrs. L. S. Elliott, Mrs. Leroy Luke and Mrs. Russell Elliott.

The library has a fine selection of books for children of the 5-9 age group, which have just arrived and it is hoped by the library personnel that the children will take advantage of the opportunity to read them.

Friday, July 22, beginning at 10 a.m. and lasting for an hour, the story of Hansel and Gretel will be featured.

Lander Necaise Candidate For Supervisor Beat 4

Lander H. Necaise has announced his candidacy for Supervisor of Beat Four in the August Democratic Primary.

His formal statement follows:

TO THE VOTERS OF BEAT FOUR HANCOCK COUNTY

I wish to announce my candidacy for the office of member of the Board of Supervisors for Beat Four, Hancock County, in the forthcoming Democratic Primary on August 2.

I served for a period of twelve years as a member of the Board of Supervisors and eight years as Deputy Sheriff of Hancock County and I assure you that I deeply appreciate the confidence that the people of my Beat have placed in me. In all of my official life I have tried to represent my Beat faithfully and I feel certain that I have done more for my Beat than any other member of the Board from Beat Four has ever done.

During my last term from 1944 to 1948 as Supervisor of Beat Four I was responsible for the construction of the concrete bridge at Fenton place for the construction of the steel bridge at Jordan place and Bayou LaCrosse and I hope that neither of these

steel bridges have been treated or painted since my term of office. It was also through my efforts as a member of the Board of Supervisors that the Bay-Kin road was black-topped.

When elected I promise the people of Beat Four that I will work toward the interests of the County as a whole, and particularly, for an adequate distribution of the County Funds for Beat Four, and, further, to use those funds for the benefit of Beat Four rather than for any personal gain.

I am definitely not interested in using County Funds or Equipment for my own personal benefit. I can assure you that I will deeply appreciate your support in the coming election, and when elected, will do my best to make you a good supervisor.

Respectfully,
LANDER H. NECAISE
Candidate for Supervisor
Beat Four
Hancock County

Church Women to Entertain Children

The Bay St. Louis group of the United Council of Church Women will be hostesses to 26 children from the Jackson home.

A chartered bus will bring the youngsters to Bay St. Louis Monday morning, July 25. They will be met by the women and taken to the home of Mrs. Leo Seal where they will be entertained at luncheon. Following lunch they will be escorted to the homes of the various hostesses.

On Tuesday there will be a wiener roast at the Bay Waveland Yacht Club. Wednesday Mrs. T. H. Brockman with a group of friends will entertain at an ice cream party in the afternoon at the Brockman home on Beach Blvd, Waveland.

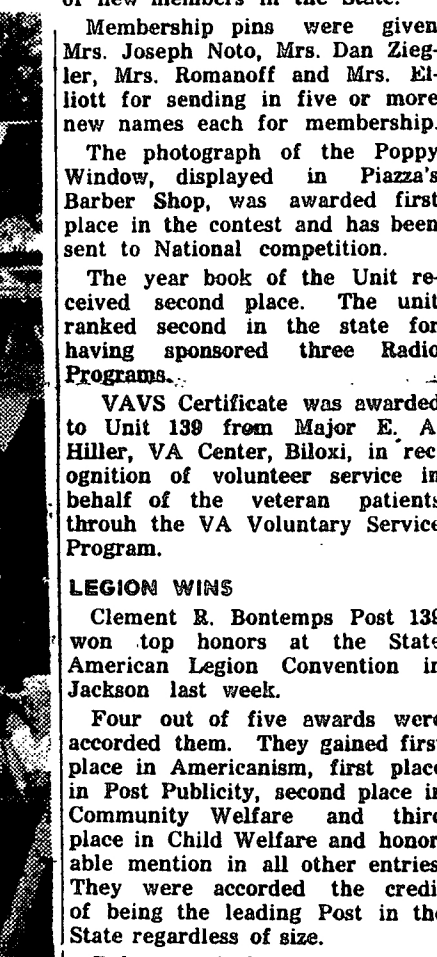

Thursday afternoon from 5 to 7 there will be a watermelon party on the playground beach on Uman Ave., and on Friday the young folks will return to Jackson.

Any one wishing to contribute funds for the entertainment of these children may do so by contacting either Mrs. Leo Seal or Mrs. T. T. Robin.

Scenes from the Our Lady of the Gulf Church Fair held last weekend

New Pastor At Annunciation Church at Kiln

The Rev. Mark Ritten, MSST, formerly pastor of Our Lady of the Assumption Church in Charlotte, N.C., has been appointed pastor of the Church of Annunciation at Kiln.

The Rev. Mr. Ritten joined the Charlotte church as assistant pastor in 1951. Together he and Father Giblin, pastor, built the parish and in conjunction with the Sisters of the Most Blessed Trinity a school was organized.

From an original 25 kindergartens pupils the school now has seven grades with 235 students.

Father Ritten is a native of Philadelphia, Pa. He was sent to Charlotte, N. C. from a Preparatory Seminary, Holy Trinity, Altoona, Pa., where he was ordained in 1944.

COUNCIL BIRTH
Mr. and Mrs. Joseph F. Rice announced the birth of a son, Joseph F. Rice, Jr., at the Bayou Caddy Home July 12. The baby weighed 7 1/2 lbs. and was 20 inches long. He has three siblings, two boys and one girl, all born at the Bayou Caddy Home.

Mrs. Alvina Ladner, 82, Dies Saturday, July 16 At Bayou Caddy Home

Mrs. Alvina Ladner, 82, died at her residence, Bayou Caddy, Saturday, July 16 at 3:30 p.m. following a long illness.

She was the widow of the late Charles Ladner, daughter of the late Antoine Lafontaine and Fannie Favre Lafontaine.

She is survived by Mrs. Fannie Ploue, Josephine Lafontaine, Corbin Ladner, Mrs. Edna Zingaling and Mrs. Mazie Pinson; 21 grandchildren and 24 great-grandchildren.

Funeral services were held from Bayou Caddy Catholic Church with interment in Bayou Caddy Cemetery.

CHICKIE YOUNGER WINS NATIONAL BARREL RACES

Miss Chickie Younger returned this week from Lake Charles, La., where she won the National Inter-collegiate Barrel races. She received in addition to a cash award, a magnificent saddle and buckle, and an outfit of Western garb.

Twenty-two colleges competed in the event. Chickie, who with her sister Betty operates the Lazy Stables here, is renowned in this part of the country for her expert horsemanship. She attends MacNeese College in Lake Charles, where she is studying veterinary medicine.

Winning of this national event has made Chickie eligible to judge in National Horse Shows throughout the entire country.

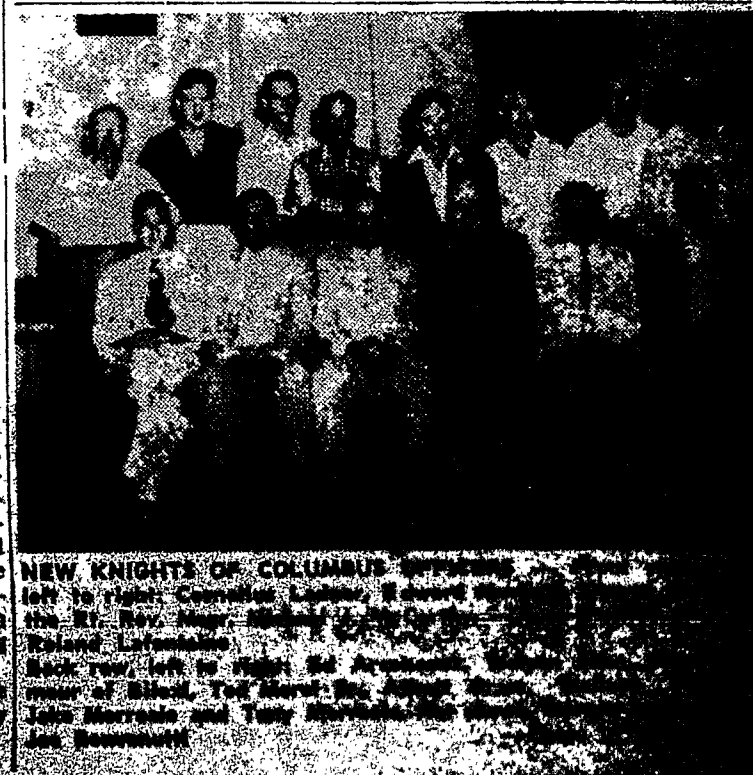

Guard Completes Week At Shelby

Company C, 630 of the Engineer Aviation Battalion, completed the first week of training at Camp Shelby with a review parade on Saturday morning.

There were over 2,000 troops passing in review before Gov. Hugh L. White and Maj. Gen. William P. Wilson, Adjutant General of Mississippi.

Members of the local National Guard unit are participating in many activities at Camp Shelby. There are several schools available during the two week training period. Enlisted men are attending the Air Compressor School, Tractor-Grader School, Crane Shovel School and Soils Technician School. Men with less than four months service are attending recruit training classes.

Company C will complete the two weeks training Sunday, July 24.

NEW KNIGHTS OF COLUMBUS... (text partially obscured)

WANDERINGS

by
GEORGETTE B. HALL

Bourgeois returned last week from Jackson where he attended the 87th annual State Convention of the American Legion. Bourgeois was recently re-elected Commander of the Council of the American Legion Post 138 of the American Legion, Bay St. Louis. He will be in the column and all others upon their congratulations upon their work during the convention. Members of the Legion Auxiliary who attended the convention were Adjutant and Mrs. Russell Elliott, Mr. and Mrs. Joseph Compretta, Mr. and Mrs. Luke, Mr. and Mrs. Lucien, Mr. and Mrs. Nelson, Mrs. Compretta is the newly elected president of the Auxiliary.

Going to Jackson for the day today were Mrs. L. S. Elliott, Mrs. Claborn Laddner, Mrs. Rens, and Mrs. Albert Biehl. Other Legionnaires who made the trip were Lucas Fuchey, Teddy, and John Rutherford, Jr. Among the many things on the program was a tea at the Governor's mansion where many local and national notables were present.

On Monday, July 25, a group of 30 boys and girls from the ages of 8 and 14 will arrive in Bay St. Louis for a week's visit. The children are from the Methodist Children's Home in Jackson, Miss. Their visit to the Bay is sponsored by the Council of Church Women. A busy schedule planned for the youngsters. On Tuesday there will be a wieners' eat at the Bay-Waveland Yacht Club. On Wednesday an ice cream party on the lawn of "Edenwood," home of Mrs. T. H. Brockman in Waveland, and on Thursday a watermelon party on the sand beach at Carroll Ave.

Mrs. Hazel McGee, matron who is accompanying the children, will bring the cottage of Mrs. Leo Seal's. The children will be guests in the homes of several families in Waveland and Bay St. Louis during their visit. Families in Waveland who will meet the children will give them a good time for a week and Mr. and Mrs. N. L. Blair, Mr. and Mrs. J. Roland, and Mr. and Mrs. T. H.

week. He caught one of the grandest of them all. The piecetail giant weighed better than six pounds. It was one of those that just didn't get away.

—W-W—

Mrs. Henry Jones, her son and daughter-in-law, Mr. and Mrs. Henry Jones Jr. and children, Michael, Mary, Lynn and Judy, and their cousin Carolyn Wiggins, all from New Orleans, are vacationing in their home on Waveland Ave. Mrs. Jones is the mother of Mrs. L. A. Sauer of Waveland.

Happy Birthday greetings go this week to Rod Villers, son of Mr. and Mrs. Mel Villers who celebrated his fifth birthday on Sunday. Also to Mrs. L. A. Sauer who celebrated on July 16; and to young Philip Mollere, son of Mr. and Mrs. Brewster Mollere, who was one year old on July 11.

—W-W—

Billy and Dickie Blanke, sons of Mr. and Mrs. Harry Blanke of Nicholson Avenue, had as their guests last week Bob and Jack McComiskey, sons of Dr. and Mrs. J. A. McComiskey of New Orleans. The boys returned home after a pleasant visit with the Blanke boys. Dr. and Mrs. McComiskey are presently touring in Europe.

FARM SAFETY WEEK

STATED JULY 24-30

The president of the United States has proclaimed the week beginning July 24, 1955 as National Farm Safety Week. His proclamation requests all persons and organization interested in farm life and welfare to join in a campaign to reduce the tragedies and losses caused by needless accidents.

—W-W—

The National Safety Council and the U. S. Department of Agriculture are again sponsoring National Farm Safety Week in cooperation with the States and counties, farm organizations, the farm press, radio and television, and many other groups interested in the welfare of farm people.

STUDENTS TRAINING

Forestry Supervisor E. R. De Silva announced the employment of eleven forestry students from seven colleges effective July 1. Employment of these prospective foresters for the summer months is done in cooperation with the different colleges teaching professional forestry of pre-forestry courses to students who expect to transfer to a college with a four-year forestry curriculum. The purpose of such employment is to give these young men rigorous practical experience at the ground level to insure that they will be adapted to the rugged life of a forester.

LOGTOWN

Locals...

BY CLAUDIA MURPHY

Mrs. Martha (Pat) Murphy Davis passed away in Gulfport Saturday night. She was buried at the Napoleon Cemetery with her nephew, the Rev. John Russ, officiating. Pallbearers were Charles Russ Jr., Harry Russ, Charles Bayet, Sam Bayet, and William Jordan. Mrs. Davis was born in Napoleon. She is survived by two sons, Jimmy and George Davis of Texas, one daughter, Mrs. Pearl Davis Hoyer, six grandchildren and one great granddaughter.

—W-W—

Miss Lillian Wright spent last week in New Orleans visiting with her grandparents, Mr. and Mrs. W. C. Wright.

—W-W—

Mrs. W. W. McArthur and daughters, Barbara and Gloria, and Mrs. Adele Maffie spent Saturday in Biloxi.

—W-W—

Pat and Paul Starks spent a few days with Mr. and Mrs. C. B. Murphy.

—W-W—

Mr. and Mrs. E. Francis and Family and Mr. and Mrs. A. Heaphy and family spent Sunday with their father, Mr. and Mrs. I. Giveans Sr.

—W-W—

Mrs. Marks Wilkinson and Miss Barbara McArthur spent last Monday in New Orleans. Mrs. Wilkinson went back to the doctor for a check-up from a recent operation she had.

—W-W—

Miss Garland Miller returned home after spending a month with her aunt, Mrs. Edward Miller.

HARVEST SILAGE AT RIGHT TIME FARMERS URGED

Farmers who have a silage crop now growing are advised by W. R. Thompson, Extension agronomist, to watch the crop and harvest at the proper time. Corn is ready to harvest for silage when the grain is well dented. Sorghum is ready for ensiling when the seed are in the heavy dough stage.

Thompson advised farmers that if they have not already built or dug a silo, to do the job well in advance of harvesting. Sizes and capacities of trench silos are 50-ton trench, a 100-ton trench and a 140-ton trench. The 50-ton trench should be seven feet wide at top, five feet at bottom, seven feet deep and 81 feet long. This dimension is based on 30 pounds of silage per cubic foot, he stated.

County Agent's Notes
BY HOWARD F. SIMMONS
Hancock County Agent

WEDDING THE WOODLAND
 Treat trees as a crop and they will make money for you. They like other crops should be weeded. Take out the cull trees and give the money making trees a chance to grow.

Remember, culls get larger but do better. If they were once culls they are still culls, and you will be money ahead to kill them and make room for better trees.

Research shows that in general the best season of the year to weed your woodland is anytime you have the time, labor and a sharp axe.

For more information see your county agent and get a free copy of "Weeding the Woodland," Extension Publication 301.

HOME GARDENS
 Late July gardening jobs include sprouting Irish potatoes for August planting. Use seed potatoes from your spring crop. The recommended size potatoes to use for fall planting is 1 1/4 inches to 2 inches in diameter.

Get the soil ready and add fertilizer for August planting. Mulch and water the garden for long lasting production.

Harvest regularly and thoroughly. Vegetables left to fully mature on the plant slow production. Plant broccoli, onion, cauliflower and cabbage seed in shaded areas for fall plants.

Other plantings to make in July include pole snap beans, pole lima beans, corn, okra, rutabaga, field peas, carrots and bush lima beans.

Mr. and Mrs. George Shriver Horton announce the forthcoming marriage of their daughter, Sylvia, to Billy Gene Miles, son of Mr. and Mrs. W. C. Miles of this city, on Saturday, July 30, 6:00 p.m. at Christ Episcopal Church, Boy St. Louis

OUTDOOR MASS PLANNED BY CARMELITE NUNS
 JACKSON, Miss. (Special) Outdoor Mass honoring the feast of Our Lady of Mt. Carmel will highlight the Carmelite nun's fourth annual public novena Saturday.

The Very Rev. Msgr. James Hannon, Carmelite chaplain, will celebrate the Mass. Knights of Columbus from throughout the state will be in attendance.

The carriage marble altar is set against a backdrop of shrubs and trees on the sloping lawn of the Carmelite Monastery at 2155 Terry Road. Loudspeakers carry the mass and novena to the 1,000 persons expected from Louisiana and Mississippi.

The novena ends Sunday with 60 Jackson children forming a living Rosary. Each child will represent and recite his portion of the beads.

The Rev. Fr. John E. Curley of New Orleans preached each of the nine nights. His sermons were broadcast live over Station WRBC from 7:30 to 8 nightly.

Special intention of this year's novena is the asking of God for world peace and His blessing upon the novena.

Pope Pius XII granted several indulgences for attendance at the mass and novena to the 1,000 persons expected from Louisiana and Mississippi.

WARREN CARVER
 FOR
Clerk of Courts
 Qualified by experience and training for the 16 1/2 years' experience as Deputy Clerk of Courts, Hancock County. Seven years' experience as Field Auditor, State Department of Audit, Jackson, Mississippi. Four and one-half years as Mayor of Bay St. Louis. Interested in the industrial development of Hancock County.

NO TICKEE ...NO WASHEE

The Chinaman at the old hand laundry insisted on a ticket... or you didn't get your laundry.

The producer of natural gas must be shown a "ticket," too. Before he can invest the millions of dollars required to find adequate gas supplies, the producer must have some chance of a reasonable profit to justify the risks he takes.

He does take risks, you know. He sometimes spends over a million dollars to drill a single well — and drills an average of nine exploratory holes to find one that produces anything at all. Each year producers have found more natural gas than was used. Thus, in addition to supplying present needs, we are assured ample reserves for the future. That is why the producer must be encouraged wherever possible, for in the interest of 20-odd million American consumers of natural gas

this is a search that must never end

Earl Ramond

Candidate for

Coroner and Ranger

HANCOCK COUNTY

Solicits Your Vote and Support

Nolan Ladner

CANDIDATE FOR

Justice of the Peace

Beat Five, Hancock County

OVER TWENTY YEARS EXPERIENCE

WORKING WITH YOUNGSTERS

Ed P. ORTTE

PEOPLE'S FAVORITE CANDIDATE

For Sheriff and Tax-Collector

While a member and President of the Board of Supervisors for 12 years, Ortte acted in the interests of all the people rather than a selected few because he was elected by the people and not by any political or financial group. He fought courageously for the people's right and for clean and honest government.

ORTTE BROKE UP THE POLITICAL ORGANIZATION THAT RULED CITY AND COUNTY POLITICS

"ORTTE'S actions of the past speak louder than hollow campaign promises of the future."

Ortte has reasons to be interested in the County's welfare and growth. He has real estate, lots and acreage in Lakeshore, Gulfview and Euro Subdivisions for sale, real estate in Clermont Harbor, Waveland and in Bay St. Louis and in the rural sections. He also has other successful businesses.

Ortte is a Member of the American Legion, Forty and Eight and Veterans of Foreign Wars.

He has proved his ability as a good County Supervisor. He now has been elected, he will make the kind of Sheriff the people want.

Have to guess, wonder or take chances when you elect a Sheriff? No, elect Ed P. Ortte, a good Sheriff for the future.

ED P. ORTTE A GOOD SUPERVISOR!

ORTTE WILL MAKE A GOOD SHERIFF!

BARNETT ADVOCATES VETERAN BENEFITS
Two new proposals to benefit veterans through services of the State Veterans Farm and Home Board were advocated this week by gubernatorial candidate Ross Barnett.

Barnett said he would ask the legislature to increase the maximum amount of state veterans loans from the present \$5,000 limit to \$10,000 and to bring more veterans into the program and make it easier for veterans to buy farms as well as homes.

Present laws authorize the purchase of land as well as dwellings, he said, but veterans who need farm acreage to make a living "are penalized by the limitation."

He also said legislation should be enacted to provide a "re-finance plan" through the Farm and Home Board for veterans who bought homes "on their own" and now are being squeezed because of declining farm income and high short-term payments.

"These veterans are still entitled to the privileges of the Farm and Home law," Barnett said, "and because they undertook to do their own financing through short-term loans is no reason why they should be denied state help to re-finance and spread payments over a longer period of years."

Barnett said his program would not cost the state any additional money because the board has a revolving fund which is making money for the state in interest.

The Veterans Administration underwrites the state loans up to sixty per cent on homes and up to fifty per cent on farms with dwellings.

NOTICE TO CREDITORS
Letters Testamentary on the Estate of Louis F. Luderbach were granted to the undersigned by the Chancery Court of Hancock County, Mississippi, on the 18 day of July, A. D. 1955, and therefore notice is hereby given requiring all persons having claims against said estate to have same probated and registered by the Clerk of said County, within six months from this date, and failure to so probate and register same in six months will bar the claim.

This 21st day of July A. D. 1955.

SETS NEW HIGH IN VALUE
A new record high in value of timber sold during one quarter from the Mississippi National Forest has been established during the past 3 months. This information was released last week by Forest Supervisor E. R. DeSilva, who stated that the total value of stumpage sold during this period amounted to \$683,452.92.

Ed P. Ortte Outlines "Youth Program" Plan

Juvenile delinquency naturally means: A young person who is neglectful or fails to do their duty, or commits a misdeed. An offender of the Law!

How are we going to curb JUVENILE DELINQUENCY?

It is almost too late to change the lives of young people after they reach the age of 18 or 20. You have to start training them when they are very young. We have youth centers, boy and girl scout troops, Sunday schools and Grammar schools. These are all a grand help to the young people, but what if they fail to attend church and their schools, or fail to become attentive members of the Boy Scouts, etc? Well, I have a good plan that is working out presently in all large cities and throughout many rural sections of the United States. These are organizations operated under the guidance of different law enforcement officials. And the purpose of these organizations are to create close association and friendship among the children.

Now if I am elected Sheriff, it is my purpose to most definitely carry out this plan and form this youth organization. It will be named "Junior Deputies of Hancock County." Each member will be given a Silver Badge and the Officials will be given a Gold Badge. These badges to be worn with honor and distinction.

To start this program off, I will deputize and appoint two men, of high standing, to assist me in organizing this program throughout the County. These units will be formed in different sections. The Officers of each unit will be made up from the ranks of the boys who prove through their activities and merits as good leaders. It is well known that boys will follow good leadership, so the selection of these officers will have to be carefully chosen. These Youth Leaders will be given the job of inspiring the other boys not to be delinquent in any of their duties. They should be honest, fair and helpful to each other. They should encourage the boys to attend Sunday School and Church regularly and learn the beautiful teachings of the Church. Encourage them to attend school regularly and to realize the importance of study, and learning the value of education, whereby they can hold good positions when they reach manhood.

These Juvenile Leaders will have the responsibility of assisting and preventing the other boys from associating with bad characters and doing anything that would be detrimental to them. Their duties will be to talk with the boys and to advise them what to do when they are in trouble and to encourage other boys at all times to be honest and truthful and not to be delinquent in any of their duties.

These clubs will be given picnics, fishing trips and other outdoor activities from time to time.

As I said before, the main purpose of this organization is to create close association and friendship of children. This organization will cooperate with all Boy and Girl Scout Troops and youth centers to create more enthusiasm throughout the schools. Also to create more interest in athletics and other wholesome entertainment for the youth. This will be a County wide project.

I believe by starting with the very young children, we can make bigger and better men out of our youth and prevent future juvenile delinquency.

If I am elected I will ask for the help of all the parents and children throughout the County to cooperate with me in this juvenile program.

This plan will definitely be carried out as it is one of my outstanding reasons why I want to be elected Sheriff.

ED P. ORTTE

SEMI-ANNUAL MEETING OF THE MISSISSIPPI WATER SUPPLY BOARD
The semi-annual meeting of the Mississippi Water Supply Board will be held at the University of Mississippi, Oxford, Mississippi, on the 21st day of July, 1955.

The meeting will be held in the University of Mississippi, Oxford, Mississippi, on the 21st day of July, 1955.

Juvenile delinquency naturally means: A young person who is neglectful or fails to do their duty, or commits a misdeed. An offender of the Law!

How are we going to curb JUVENILE DELINQUENCY?

It is almost too late to change the lives of young people after they reach the age of 18 or 20. You have to start training them when they are very young. We have youth centers, boy and girl scout troops, Sunday schools and Grammar schools. These are all a grand help to the young people, but what if they fail to attend church and their schools, or fail to become attentive members of the Boy Scouts, etc? Well, I have a good plan that is working out presently in all large cities and throughout many rural sections of the United States. These are organizations operated under the guidance of different law enforcement officials. And the purpose of these organizations are to create close association and friendship among the children.

Now if I am elected Sheriff, it is my purpose to most definitely carry out this plan and form this youth organization. It will be named "Junior Deputies of Hancock County." Each member will be given a Silver Badge and the Officials will be given a Gold Badge. These badges to be worn with honor and distinction.

To start this program off, I will deputize and appoint two men, of high standing, to assist me in organizing this program throughout the County. These units will be formed in different sections. The Officers of each unit will be made up from the ranks of the boys who prove through their activities and merits as good leaders. It is well known that boys will follow good leadership, so the selection of these officers will have to be carefully chosen. These Youth Leaders will be given the job of inspiring the other boys not to be delinquent in any of their duties. They should be honest, fair and helpful to each other. They should encourage the boys to attend Sunday School and Church regularly and learn the beautiful teachings of the Church. Encourage them to attend school regularly and to realize the importance of study, and learning the value of education, whereby they can hold good positions when they reach manhood.

These Juvenile Leaders will have the responsibility of assisting and preventing the other boys from associating with bad characters and doing anything that would be detrimental to them. Their duties will be to talk with the boys and to advise them what to do when they are in trouble and to encourage other boys at all times to be honest and truthful and not to be delinquent in any of their duties.

These clubs will be given picnics, fishing trips and other outdoor activities from time to time.

As I said before, the main purpose of this organization is to create close association and friendship of children. This organization will cooperate with all Boy and Girl Scout Troops and youth centers to create more enthusiasm throughout the schools. Also to create more interest in athletics and other wholesome entertainment for the youth. This will be a County wide project.

I believe by starting with the very young children, we can make bigger and better men out of our youth and prevent future juvenile delinquency.

If I am elected I will ask for the help of all the parents and children throughout the County to cooperate with me in this juvenile program.

This plan will definitely be carried out as it is one of my outstanding reasons why I want to be elected Sheriff.

LEETOWN PTA EXTENDS THANKS TO ED P. ORTTE

As president of the Leetown School PTA, I wish to extend the thanks and gratitude of our organization for the services Ed Ortte has rendered our school, especially in making our rally of July 16 such a big success. The money made from this venture will go far toward helping our school and youth fund.

I wish to state further that we congratulate Ed Ortte for the stand he has taken in showing his interest in the youth of our County. The program that he read and explained from the stand the night of our Rally will certainly go very far in assisting our youth. I believe this to be a wonderful youth program. I have spoken to numerous people who feel this program will create enthusiasm amongst our children in athletics, church and schools, and they pledge their assistance in this program.

Signed: C. R. KNOWELTON

President, Leetown PTA

Mrs. Norman Glass was guest of honor last month at a family reunion and farewell party before she left Guam where she joined her husband, who is serving there with the Armed Forces. The party was given at the home of Mrs. Carmelita Saucier, mother of Mrs. Glass. In addition to members of the family, Mrs. John Egloff and Mrs. Louis Taconi were present. Mrs. Glass arrived last Friday.

PHILLIPS NAMED TO SSFFCC

Walter James Phillips is in receipt of a letter this week advising him that he has been appointed a member of the Executive Committee of five men representing 10 states of the SSFFCC, Forestry Commission.

The letter came from James W. Craig, State Forester of Miss and Secretary of the SSFFCC.

The ten states represented in the commission are N. Carolina, S. Carolina, Georgia, Tennessee, Kentucky, Florida, Virginia, West Virginia, Alabama and Mississippi.

The organization is primarily to protect the forests from fires and to render mutual assistance

when needed. The governor of each state appointed five men from his state to the State Commission, Phillips was appointed to this post by Gov. Hugh White. The Compact Commission composed of these appointed men appoints members of their own group to serve on the Executive Committee.

This is the first time in the history of the county that a man has been selected to serve from Hancock County for this type of representation.

OLE MISS LANDS FOR LAST TIME IN WASHINGTON

Ole Miss, a monoplane which set an endurance record 20 years ago, made her last landing, The little single-engine ship, which flew for more than 27 days at a stretch in 1935, landed at Washington National Airport with one of her two original pilots, Fred Key, at the controls.

The plane is being given to the Smithsonian Institute, to take its place there with other famous flying machines, including Charles Lindbergh's Spirit of St. Louis. Ole Miss left Meridian, Miss and made several stops on the way. Actual flight time was about nine hours.

\$5,462,947 ALLOTTED FOR AID TO FARMERS

Mississippi has been allocated \$5,462,947 for the 1956 fiscal year to provide credit assistance to eligible farmers under Farmers Home Administration authorities, state director T. B. Fatherree said. Applications will be processed through county officers of the Federal Agency.

New 115-hp De Luxe Cab (extra-cost option)	NEW TUBELESS TIRES (standard on 1/2-ton models)
	NEW POWER BRAKES (Standard on 1/2-ton models, an extra-cost option on others)
	New load lever for parking brake

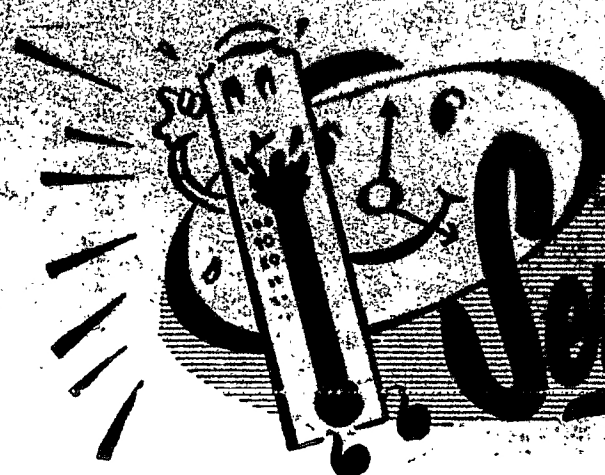

KNOW YOUR NEIGHBOR GROUP TO MEET NEXT THURSDAY

The Newcomers Group of Know Your Neighbors Club will meet Thursday, July 28 at the Youth Center, where they will spend an evening of card playing or social chat.

For the last three meetings square dances have livened the evenings for the group. At this meeting, Mrs. Beyer and Mrs. Kern, who have spearheaded the movement, decided that the weather was a little warm for such strenuous play, and that a more quiet and restful evening would be enjoyable for a change. All newcomers to the community, and their guests, as well as any resident of Hancock County, are cordially invited to participate in these evenings of fun for all.

TOP CORN PRODUCTION FORECAST FOR STATE

A record Mississippi corn production is 38,850,000 bushels was forecast by the Mississippi Crop and Livestock Reporting Service. That will be 11,820,000 bushels more than was harvested from the drought-damaged 1954 crop. Other 1955 crop estimates by the service included wheat 549,000 bushels, down 410 bushels from last year; oats 578,000 acres, up 25 per cent; soybeans 752,000 acres,
